

The John Palmer House

Built in 1890 and completely upgraded in 2011 the John Palmer House is an elegant setting for your very special day.

Maggie and Susan, owners of the Palmer House are only hosting 3-4 weddings each year. These photos are from a family wedding in 2011.

Rental Fee: \$4000
Capacity: 100 for cocktail reception
75 for seated reception
Season: July—September

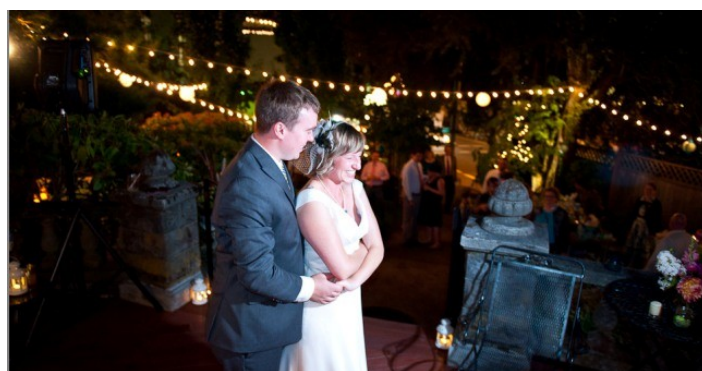

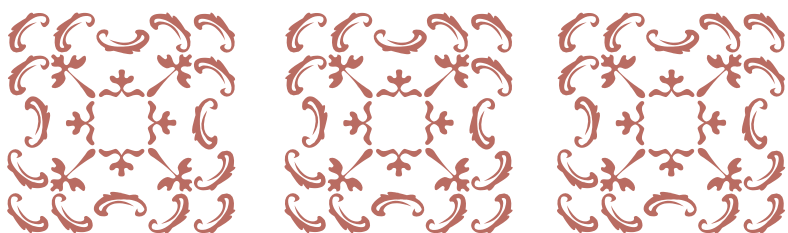

This includes use of the lovely garden with its arbor—perfect for the ceremony—and the main floor of the house. The bride and her party may use the master suite before the wedding to dress.

You may make your own catering arrangements.

You have latitude to decorate the yard as you wish. Inside decorating is limited due to the historical nature of the home. Because we are doing so few weddings you may decorate two days in advance.

Please call us to schedule a tour and determine if The Palmer House is the right place for you.
